## New & Notable

The competitive spirit is alive and well among restaurateurs who call our city home, and 2013 proved to be one of the best years in recent memory in which innovative new dining establishments came to the table. But beyond that, tried-and-true concepts continually revamp their menus and update them for the season, putting forth offerings that keep them fresh in the eyes (and stomachs) of visitors. Here, we show you the best of what's new, and newly updated.

### BUDDY VS

"Cake Boss" Buddy Valastro's family recipes and decadent desserts are the stuff of dreams. His first restaurant is at Palazzo. (702) 607-2355

### CARMINE'S

This gem of an Italian restaurant gives new meaning to the term "family-style." The freshest ingredients and the hugest portions around make it simply unforgettable. Forum Shops. (702) 473-9700

### HERITAGE STEAK

Tom Colicchio keeps the home fires burning at this restaurant, where he perfects the art of cooking over an open flame.

The result: Moist, tender and delicious meals every time. The Mirage. (702) 791-7223

### KUMI

This fusion of authentic Japanese recipes, sushi and modern Korean-American dishes comes courtesy chef Akira Back. He's at his best with the sumptuous whitefish carpaccio and deliciously spiced lamb chops. Mandalay Bay. (702) 632-9100

### LA CAVE

Always a refined experience, La Cave's new Sunday butler-style brunch gets top marks for its relaxed mid-day experience. Choose from sweet and

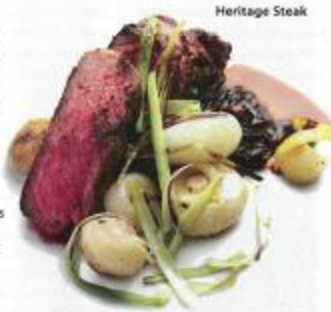

savory items such as pancakes with berry compote (at left) and much more. Wynn. (702) 730-3463

### MON AMI GABI

We love the new fall-menu offerings from this fab Paris Las Vegas restaurant; the French onion soup is the perfect delight for the season. For your next course, try the seafood tower. (702) 944-4224

### MORELS

In addition to this steakhouse's delectable cuts of wet- and dry-aged beef, there's a selection of more than 60 farmhouse and artisanal cheeses. Palazzo. (702) 607-6333

Heritage Steak
