La Cave

Wynn LAS VEGAS

THE BEST butler buffet in Vegas and probably the world!

All of the elements to make you fall in love with food are hidden away at La Cave. There is no question, we are foodies and we know when something is just too incredibly delicious to walk away from. The 3,000-square-foot restaurant has cellar, the main dining room and the garden lounge and patio (our favourite) overlooking the

pool, surrounded by blooming flowers and palm trees, heaven! Especially on Sunday's, the restaurant serves an all American cuisine fused with global flavors in small-plate portions designed to share, created by Morton Group's executive chef, William "Billy" DeMarco. The butler seat down buffet offers an overwhelming choice of the

best American cruising, one can find in Vegas.

Michael Morton opened La Cave Wine and Food Hideaway at the Wynn Las Vegas in 2010 as a venue designed for the exploration of wine, complimented with delectable dishes. "With La Cave, we wanted to develop a place where we could spend time drinking wine and sharing food with friends," said Michael Morton, who, along with his wife, Jenna, is co-owner of Morton Group. "Plus, it truly is a hideaway. La Cave is a place where guests can escape the action of the Strip and enjoy exceptional cuisine paired with an incredible wine collection."

La Cave offers the best of both worlds, great location, great outside surroundings, extravagant menu choice, over 250 wine selections and most importantly sizzling flavors that you are unlikely to achieve at home or experience anywhere else in the world and that's a fact!

WE RECOMMEND

We promise the Angus Mini Burgers will be the BEST burgers you have ever had the pleasure of sampling. The mouth-watering flavors from the beef burger run through the caramelized onions and the soft bun just completes the entire portion. Other favorites were the baked potato loaded tater tots with brown gravy tomato mozzarella flatbread, the chef's selection ham

egg flatbread eggs benedict with chorizo and if you are still greedy for more, a must try is the Canadian bacon Pancakes with berry compote and the corn flake crusted brioche French toast. You will commit a crime if you don't try any of the unlimited cocktails from Bloody Mary, Caipirinha, Margarita, Mimosa to Mojito and Sangria.
